Sede del Pacífico

April, 2021 – July, 2025

Liceo Labrador

High School Bachelor

San Mateo, Alajuela

2020

Experience

Magic Solutions

Solution Architect

Puntarenas, Jaco

Dec, 2024 – May, 2025

- Determine with the customer the best hardware based on his present and future requirements.
- Provided technical guidance and support to clients, ensuring seamless integration of new technologies.
- Collaborated with the development team to create user stories defining web solutions according to client needs.
- Helped troubleshoot technical issues on clients and our own equipment.

Portfolio

<https://ianmiranda.vercel.app/>

Sede del Pacífico

Jan 2021 – July, 2025

- **Attimo (PHP , Laravel, React, JavaScript)**: Web prototype of a collaboration platform designed to manage tasks, calendars and communication between student and teacher
- **TuLook (PHP , Laravel, React, JavaScript)**: TuLook is a platform that connects stylists and barbers with clients. Professionals can create profiles, offer their services and manage bookings, while clients can explore options, view availability and schedule appointments directly.
- **Beach SA (.NET, ASP.NET Core, SQL Server)**: Web prototype for a hotel management platform. Developed API and database to handle client data, check-ins, and service coordination.
- **Space-Dodge (Java, JDK, Maven)**: 2D arcade-style game where the player controls a spaceship and must avoid falling meteors. Implemented collision detection and points using object-oriented programming.

Social Action, Universidad de Costa Rica

Community Service Participant

Sede del Pacífico

Aug, 2024 – July, 2025

- Worked with UCR's Social Action department and various institutions in multidisciplinary teams to plan and execute community initiatives in the Pacific region.
